

UNCOMMONLY RELIABLE BASECOAT.

Akzo Nobel basecoats have long been recognized for the best color match in the industry. The Lesonal product line continues that tradition. Akzo Nobel uses the latest high dispersion technology to meet today's demanding colors. The easy-to-use Lesonal system provides great system coverage the first time for everything, from spot repairs to complete paint jobs.

Lesonal Basecoat SB, when used in conjunction with the full Lesonal assortment, offers the simplest, most dynamic paint system available in its class. The complete Lesonal system offers streamlined inventory and increased productivity with every step of the refinish process.

Lesonal basecoats will give your customers the best finish for the value while lowering your shop's cycle time and labor costs. What more could you want from a paint system?

Issue: Performing invisible repairs with today's expansive car colors.

Solution: Akzo Nobel Coatings Inc. has long been recognized worldwide for its superior color match on today's toughest colors. Its single component, polyester basecoat, Lesonal Basecoat SB, is designed to duplicate OEM finishes and create the invisible repair.

Issue: Consistent basecoat sprayability every time.

Solution: Lesonal Basecoat SB uses the latest binder technology to deliver more consistent metallic orientation, thus reducing halos and mottling. Unlike other basecoats on the market, the Lesonal Basecoat SB lays down smooth and offers tremendous sprayability.

Issue: Reducing flash-off time to increase shop productivity.

Solution: Lesonal Basecoat SB offers the complete package to a painter. Its fast flash-off, tack-off and recoat times make it the quickest in its class. The use of high dispersion technology allows the basecoat to offer outstanding hiding on most colors while maintaining excellent color accuracy.

Issue: Simple and effective retrieval of color formulas.

Solution: A basecoat is only as good as its color match to the original equipment manufacturer. Lesonal Basecoat SB offers a comprehensive, easy to use, formula retrieval system for accessing thousands of formulas. Color chip books and variant decks make dialing in some of today's toughest colors a snap.

LESONAL

Great finish. Great value.
